The fact that such a review may occur subsequent to the law's effective date shall not impair or prevent the application of the process set forth in this Section 10.2.

- (2) If the Executive Committee determines that the enacted law contains no provision which materially conflicts with the Compact Model Legislation, the State shall be admitted as a party to the Compact and to membership in the Commission pursuant to Section 10 of the Compact Model Legislation upon the effective date of the State's law and thereafter be subject to all rights, privileges, benefits and obligations of the Compact, these Rules and the bylaws.

 - Whether the provision fundamentally alters the nature of the agreement entered into by Member States that have adopted the Compact.
 - (8) Whether there is a remedial mechanism, satisfactory to the Executive Committee and/or Commission, whereby the effect of such law or amendment can be mitigated to minimize or eliminate the practical effect of any material conflict.
